- (a) Except as provided under Section 3-3-7, each officer and employee of the City shall safely keep and preserve all records received from his predecessor or other persons and required by law to be filed, deposited or kept in his office or which are in the lawful possession or control of the officer or employee or his deputies, or the possession or control of which he may be lawfully entitled as such officer or employee.
- (b) Upon the expiration of an officer's term of office or an employee's term of employment, or whenever the office or position of employment becomes vacant, each such officer or employee shall deliver to his successor all records then in his custody and the successor shall receipt therefor to the officer or employee, who shall file said receipt with the City Clerk-Treasurer. - (a) Each elected official is the legal custodian of his records and the records of his office, but the official may designate the City Clerk-Treasurer to act as the legal custodian.

- (e) The City Clerk-Treasurer shall establish criteria for establishing the records system and shall cause the department/office records system to be reviewed on an annual basis.

SEC. 3-3-3 PUBLIC ACCESS TO RECORDS.

- (a) Except as provided in Section 3-3-6 any person has a right to inspect a record and to make or receive a copy of any record of provided in Section 19.35(1), Wis. Stats.
- (b) Records will be available for inspection and copying during all regular office hours.
- (c) If regular office hours are not maintained at the location where records are kept, the records will be

- available for inspection and copying upon at least forty-eight (48) hours' advance notice of intent to inspect or copy.
- (d) A requester shall be permitted to use facilities comparable to those available to City employees to inspect, copy or abstract a record.
 - (e) The legal custodian may require supervision during inspection or may impose other reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.
 - (f) A requester shall be charged a fee of twenty-five (25¢) per page to defray the costs of copying records.
 - (1) If the form of a written record does not permit copying, the actual and necessary cost of photographing and photographic processing shall be charged.
 - (2) The actual full cost of providing a copy of other records not in printed form on paper, such as films, computer printouts and audio- and video-tapes, shall be charged.
 - (3) If mailing or shipping is necessary, the actual cost thereof shall also be charged.

 - (6) Elected and appointed officials of the City shall not be required to pay for public records they may reasonably require for the proper performance of their official duties.
 - (7) The legal custodian may provide copies of a record without charge or at a reduced charge where he or she determines that waiver or reduction of the fee is in the public interest.
 - (g) Pursuant to Section 19.34, Wis. Stats., and the guidelines therein listed, each authority shall adopt, prominently display and make available for inspection and copying at its offices, for the guidance of the public, a notice containing a description of its organization and the established times and places at which, the legal custodian from whom, and the methods whereby, the public may obtain information and access

to records in its custody, make requests for records, or obtain copies of records, and the costs thereof. This Subsection does not apply to members of the Common Council.

SEC. 3-3-4 ACCESS PROCEDURES.

- (a) A request to inspect or copy a record shall be made to the legal custodian. A request shall be deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under Section 19.37, Wis. Stats. Except as provided below, no request may be refused because the person making the request is unwilling to be identified or to state the purpose of the request. No request may be refused because the request is received by mail, unless prepayment of a fee is required under Section 3-3-4(f)(6). A requester may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or federal law or regulations so require.
- (b) Each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requester of the authority's determination to deny the request in whole or in part and the reasons therefor. If the legal custodian, after conferring with the City Attorney, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his or her request in a manner which would permit reasonable compliance.
- (c) A request for a record may be denied as provided in Section 3-3-6. If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requester within five business days of the oral denial. If a written request is denied in whole or in part, the requester shall receive a written statement of the reasons for denying the request. Every written denial of a request shall inform the requester that, if the request for the

record was made in writing, then the determination is subject to review upon petition for a writ of mandamus under Section 19.37(1), Wis. Stats., or upon application to the attorney general or a district attorney.

SEC. 3-3-5 LIMITATIONS ON RIGHT TO ACCESS.

- (a) As provided in Section 19.36, Wis. Stats., the following records are exempt from inspection under this Chapter.
 - (1) Records specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law;
 - (2) Any record relating to investigative information obtained for law enforcement purposes if federal law or regulations require exemption from disclosure or if exemption from disclosure is a condition to receipt of aids by the state;
 - (3) Computer programs and files, although the material used as input for a computer program/file or the material produced as a product of the computer program is subject to inspection; and
 - (4) Pursuant to Section 905.08, Wis. Stats., a record or any portion of a record containing information qualifying as a common law trade secret. "Trade secrets" are defined as unpatented, secret, commercially valuable plans, appliances, formulas, or processes which are used for making, preparing, compounding, treating or processing articles, materials or information which are obtained from a person and which are generally recognized as confidential.
- (b) As provided by Section 43.30, Wis. Stats., public library circulation records are exempt from inspection under this Section.
- (c) In responding to a request for inspection of copying of a record which is not specifically exempt from disclosure, the legal custodian, after conferring with the City Attorney, may deny the request, in whole or in part, only if he or she determines that the harm to the public interest resulting from disclosure would outweigh the public interest in full access to the requested record. Examples of matters for which disclosure may be refused include, but are not limited to, the following:

- (1) Records obtained under official pledges of confidentiality which were necessary and given in order to obtain the information contained in them.
 - (2) Pursuant to Section 19.85(1)(a), Wis. Stats., records of current deliberations after a quasi-judicial hearing.
 - (3) Pursuant to Section 19.85(1)(b) and (c), Wis. Stats., records of current deliberations concerning employment, dismissal, promotion, demotion, compensation, performance, or discipline of any City officer or employee, or the investigation of charges against a City officer or employee, unless such officer or employee consents to such disclosure.
 - (4) Pursuant to Section 19.85(1)(d), Wis. Stats., records concerning current strategy for crime detection or prevention.
 - (5) Pursuant to Section 19.85(1)(e), Wis. Stats., records of current deliberations or negotiations on the purchase of City property, investing of City funds, or other City business whenever competitive or bargaining reasons require nondisclosure.
 - (6) Pursuant to Section 19.85(1)(f), Wis. Stats., financial, medical, social or personal histories or disciplinary data of specific persons which, if disclosed, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such history or data.
 - (7) Pursuant to Section 19.85(1)(g), Wis. Stats., communications between legal counsel for the City and any officer, agent or employee of the City, when advice is being rendered concerning strategy with respect to current litigation in which the City or any of its officers, agents or employees is or is likely to become involved, or communications which are privileged under Section 905.03, Wis. Stats.
 - (8) Pursuant to Section 19.85(1)(h), Wis. Stats., requests for confidential written advice from an ethics board, and records of advice given by such ethics board on such requests.
- (d) If a record contains information that may be made public and information that may not be made public, the custodian of the record shall provide the information that may be made public and delete the

- information that may not be made public from the record before release. The custodian shall confer with the City Attorney when separating out the exempt material. If, in the judgment of the custodian and the City Attorney, there is no feasible way to separate the exempt material from the nonexempt material without unreasonably jeopardizing nondisclosure of the exempt material, the entire record shall be withheld from disclosure.
- (e) Whenever the Assessor, in the performance of the Assessor's duties, requests or obtains income and expense information pursuant to Section 70.47(7)(af), Wis. Stats., or any successor statute thereto, then, such income and expense information that is provided to the Assessor shall be held by the Assessor on a confidential basis, except, however, that said information may be revealed to and used by persons: in the discharging of duties imposed by law; in the discharge of duties imposed by office (including, but not limited to, use by the Assessor in performance of official duties of the Assessor's office and use by the Board of Review in performance of its official duties); or pursuant to order of a court. Income and expense information provided to the Assessor under Section 70.47(7)(af), unless a court determines that it is inaccurate, is, per Section 70.47(7)(af), not subject to the right of inspection and copying under Section 19.35(1), Wis. Stats.
